Pack Manufacturing Company Aluminum Conveyors

Pack Manufacturing Aluminum Conveyors are lightweight but ready for a heavy workload. With their slim design and solid construction, these conveyors would make an excellent addition to any planting line. Pack Manufacturing's Aluminum Conveyors come equipped with variable speed controls and operate with a standard 120 volt plug that will fit into any standard grounded outlet. Pack Manufacturing Aluminum Conveyors are a great economical way to increase your production capabilities and eliminate some heavy lifting along the way. Pack Manufacturing Conveyors can be built to your specifications. Call us for standard or custom widths and lengths.
