

PACK MANUFACTURING COMPANY 1 YARD BATCH MIXER

Pack Manufacturing Batch Mixers are a world-renowned symbol of quality and performance. From humble beginnings, Pack Manufacturing Batch Mixers are now employed in numerous industries as a work horse for blending. Our heavy-duty spiral Batch Mixers deliver fast and uniform blending of all standard substrate and soilless growing medias in just 3 to 5 minutes. Built for a long life with absolute minimal maintenance, our Batch Mixers provide growers with numerous benefits in quality, production, and efficiency. Pack Manufacturing Batch Mixers are highly customizable to fit many different applications and can be custom built to handle the toughest media blends. The One Yard Batch Mixer is a perfect fit for low to medium volume growers who want to produce a consistent, quality media blend with minimal labor. The One Yard Batch Mixer can process grow media for up to eighty (80) 3-gallon trade pots in as little as 3 minutes!
