PACK MANUFACTURING COMPANY 3 YARD BATCH MIXER

Pack Manufacturing Batch Mixers are a world-renowned symbol of quality and performance. From humble beginnings, Pack Manufacturing Batch Mixers are now employed in numerous industries as a work horse for blending. Our heavy-duty spiral Batch Mixers deliver fast and uniform blending of all standard substrate and soilless growing medias in just 3 to 5 minutes. Built for a long life with absolute minimal maintenance, our Batch Mixers provide growers with numerous benefits in quality, production, and efficiency. Pack Manufacturing Batch Mixers are highly customizable to fit many different applications and can be custom built to handle the toughest media blends. The Three Yard Batch Mixer is a great fit for large volume growers and bagged media producers alike. The Three Yard Mixer can deliver enough media to feed most automated filling machines running at production speeds.
