

Pack Manufacturing Company Tracking Wagons

Pack Manufacturing Tracking Wagons are our highly affordable solution to field mobility. Whether transporting labor, products, or equipment, a Pack Manufacturing Tracking Wagon will be up to the task. Our Tracking Wagon series varies greatly depending on need and application, but all Pack Manufacturing wagon lines are built with a heavy-duty angle iron frame and a flattened expanded metal bed. Our Tracking Wagons are built to hold up under extreme conditions and made to last a lifetime.

Our Tracking Wagon line can be custom fitted to work with your equipment in your operations.

Our standard Tracking Wagon sizes are:

4' x 8' and 4' x 10'

Our extended size Tracking Wagons are:

5' x 10' and 6' x 12'

Custom sizes, custom rigging, No-Flat tires, and custom hitches all available upon request.
