

PACK MANUFACTURING COMPANY PLANTING CONVEYOR SYSTEM

The Pack Manufacturing Planting Conveyor System is one of the simplest and most effective pieces of equipment for production planting. Our Planting Conveyors are ergonomic, easy to use, and incredibly versatile. Each standard Planting Conveyor has four fold-down potting tables, tilt and leveling adjustments, and variable speed control. Pack Manufacturing Planting Conveyor Systems can be customized for many different configurations to meet your needs. An excellent production piece for potting, filling, staging, or anywhere else you need products and workspace.
