

**PACK MANUFACTURING COMPANY  
4 CUBIC YARD BATCH MIXER**

Pack Manufacturing Batch Mixers are a world-renowned symbol of quality and performance. From humble beginnings, Pack Manufacturing Batch Mixers are now employed in numerous industries as a work horse for blending. Our heavy-duty spiral Batch Mixers deliver fast and uniform blending of all standard substrate and soilless growing medias in just 3 to 5 minutes. Built for a long life with absolute minimal maintenance, our Batch Mixers provide growers with numerous benefits in quality, production, and efficiency. Pack Manufacturing Batch Mixers are highly customizable to fit many different applications and can be custom built to handle the toughest media blends. Pack Mfg. Batch Mixers are made for a long life in the most rugged conditions. The Four Yard Batch Mixer is a behemoth that quickly delivers mountains of media in a short amount of time. Perfect for large volume growers and feeding multiple filling lines, the Four Yard Batch Mixer delivers amazing results in any application.
